

Help your patients experience what **life has to offer**

Take advantage of each moment
with the new Beltone Achieve and
offer a tailored hearing experience

Beltone **Achieve**™

 **Beltone**™

The best of Beltone

Delight your patients from the first fit and keep giving the best hearing care with Beltone Achieve. Our newest hearing solution continues the Beltone tradition of tailored hearing, which is inspired by the individual ways we each hear, helping us to deliver sound as nature intended.

Tackle each day with **total confidence**

Tailored sound

Hearing speech in noisy situations can be difficult with hearing loss. Beltone Achieve takes sound clarity to new heights to help your patients hear voices better in loud environments.

- Our best speech understanding in noise*¹
- Hearing clarity all around¹
- Natural own-voice perception²

Tailored comfort

Beltone Achieve was created to fit your patients and their lifestyles, so they can spend quality time with loved ones without having to think about their hearing.

- Optimized comfort on the ear
- All-weatherproof for low maintenance
- Easier onboarding with Check My Fit

Greater fitting success

Spend less time on fittings and more time with your patients, even remotely, with our optimized fitting software and tools. Many patients are candidates for Beltone Achieve, and we have a wide range of receivers and domes.

Boost your fitting success by 13% with Beltone Solus Max™ 1.15, the latest version of our fitting software.³

Tailored connectivity

Your patients can stay connected wherever they are — whether they're on their way to meet someone or they want to be entertained.

- Hold the phone to their ear as they normally would for crystal-clear phone calls
- Hands-free calls for iPhone and iPad**
- Direct streaming from your favorite mobile devices

Improve onboarding and usage

Check My Fit in the Beltone HearMax™ app helps patients fit their hearing aids correctly, which can lead to fewer service visits and a better experience from the start.

Timeless and versatile colors

Feel confident that Beltone Achieve complements each patient and their style.

* Compared to our legacy technology

** Beltone Achieve hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation) or later, with software updates iOS 15.3 and iPad iOS 15.3 or later.
